

Dear parent or guardian,

Selover Public Library and Highland Schools are working together to bring your child a ConnectED student library card! This student card allows your child to

- Fulfill teachers' requirements for reading materials easily with no fees
- Borrow 10 eBooks, eAudiobooks, or digital magazines at a time
- Borrow 4 books or magazines at a time from Selover Public Library in Chesterville
- Books delivered from Selover Library to your child's school library
- Access educational resources online through the Ohio Web Library

The ConnectED card has **no overdue fees** on late materials. Sign up once and it's good as long as your child is a student!

The ConnectED card is in addition to any other library card your child might have. If your child wants access to all materials or more than four books at a time at Selover Public Library, you are invited to visit the library with your child to sign up for our regular library card. Parents and guardians are responsible for their children's selection of materials and internet use.

Please write legibly, we must be able **to read your writing** in order to issue a ConnectED library card.

If your child already has a ConnectED student library card, you DO NOT need to complete this form. A ConnectED library card remains in effect throughout a student's educational path at Highland schools, Grades K thru 12.

Yes, give my child a ConnectED student library card from Selover Public Library.
